Auditions Policy

- Auditions must be held for every production put on by WDS. These must be publicised.
- The committee is to advertise the auditions on dates agreed upon with the director.
- To ensure fairness, an impartial committee member must be present during all auditions to observe only.
- Auditions are to be closed, that is, there will be no spectators nor friends present. However, Junior members may have a support person.
- Auditions will be held in the auditorium.
- If interested actors are unable to attend on the publicised date(s), an alternative audition may be arranged at the panel's discretion. These persons must be auditioned under the same conditions as other applicants.
- The approved forms must be completed before the audition.
- If casting is unable to be completed during the standard audition process, (i.e. If the director and the panel agree that there is no suitable applicant for a role) the director, in conjunction with the panel, has the authority to cast the unfilled role without undertaking the normal audition process.
